Instructions:

You will be given three (3) seconds to view each slide, after which you will be given fifteen (15) seconds for multiple choice questions and thirty (30) seconds for fill-in questions to mark the correct manufacturer, model number, and common name. For aircraft with no model number or common name, you must write the word “none” on your answer sheet. Leaving the space blank will result in the question being scored as incorrect. The first slide is a sample. Mark your answer on the cover sheet in the area below.

Instructions:

You will be given three (3) seconds to view each slide, after which you will be given fifteen (15) seconds for multiple choice questions and thirty (30) seconds for fill-in questions to mark the correct manufacturer, model number, and common name. For aircraft with no model number or common name, you must write the word “none” on your answer sheet. Leaving the space blank will result in the question being scored as incorrect. The first slide is a sample. Mark your answer on the cover sheet in the area below.
